The International Development Association (the Association), serving as the administrator of TFGWB and PFRD MDTF, has committed to providing the Project with an additional sixth Financing (AF) grant of USD 20 million and USD 9.35 million respectively. It is important to note that the Parent Project (TF C4120), along with the first AF (TF C5270 and TF C5693), second AF (C6225), third AF (TF C7809 and TF C8078), fourth AF (TF C9822 and TF C9826), and the fifth AF (TF D0491 and TF D0484) have been fully disbursed, barring a minor balance related to audit fees. This Environmental and Social Commitment Plan (ESCP) supersedes previous versions and will be applicable to the entire operations, encompassing the original financing, the First AF, Second AF, Third AF, Fourth AF, Fifth and the newly proposed Sixth AF.

The ESCP is a part of the Grant Agreements. Unless otherwise defined in this ESCP, capitalized terms used in this ESCP have the meanings ascribed to them in the referred Agreements.

3. Without limitation to the foregoing, this ESCP sets out material measures and actions that the Recipient shall carry out or cause to be carried out, including, as applicable, their respective timeframes; institutional, staffing, training, monitoring and reporting arrangements; and grievance management. The ESCP also sets out the environmental and social (E&S) documents that shall be prepared or updated, consulted, disclosed and implemented under the Project, consistent with the ESSs, in form and substance acceptable to the Association. Said E&S documents may be revised from time to time with prior written agreement by the Association. As provided for under the referred Agreements, the Recipient shall ensure that there are sufficient funds available to cover the costs of implementing the ESCP.

As agreed by the Association and the Recipient, this ESCP will be revised from time to time, if necessary, to reflect adaptive management of Project changes or unforeseen circumstances or in response to Project performance. In such circumstances, the Association and the Recipient agree to update the ESCP to reflect these changes through an exchange of letters signed between the Association and the Recipient's Representative specified in the Agreements or the Minister of Finance. The Recipient shall promptly disclose the updated ESCP.

5. The subsection on "Indicators for Implementation Readiness" below identifies the actions and measures to be monitored to assess Project readiness to begin implementation in accordance with this ESCP.
